

Sabi has been part of our U16's team since January 2019.

He has a good understanding of the boys, Very Vocal and can take leadership when needed.

Training days are taken to a high standard, always ready to go, when the boys arrive.

Match days are taken very professional, the Boys are given encouragement through out.

Communication with Sabi and the team have been very good.

I wish Sabi well in his next chapter and will be missed from our U16'S.

Regards

Hayley Townsend
